

SHARED SERVICES AGREEMENT

HRA/HRV SHARED SERVICES AGREEMENT

From 1 June 2023, Harness Racing Australia (HRA) will perform on behalf of Harness Racing Victoria (HRV) set registration functions.

WHAT TYPE OF REGISTRATION FUNCTIONS WILL HRA PERFORM ON BEHALF OF HRV?

From 1 June 2023, Naming applications previously submitted through Harness Racing Victoria (HRV) will now be processed by Harness Racing Australia (HRA).

All others registration functions will be retained by HRV (e.g foal notifications, stallion services, stud registrations, embryo transfer approval, exports, retirements, licensing).

WHAT DOES A SHARED SERVICE AGREEMENT MEAN?

The agreement details what functions HRA will perform on behalf of the relevant State Controlling Body (SCB).

AS A VICTORIAN PARTICIPANT, DO I NEED TO DO ANYTHING DIFFERENT?

Participants will continue to submit naming applications through Harnessweb and select Harness Racing Victoria as the state body or by using the HRV paper naming application which can be found on thetrots.com.au website.

If you need to contact someone about your naming application, you will now need to speak directly with HRA.
